

November 7, 2022

To all GENIUS Olympiad Participants,

Greetings from Rochester Institute of Technology. We look forward to hosting you on our campus in June 2023. I have had the pleasure of being a judge for GENIUS the past few years and the level of talent displayed in the projects has been nothing short of amazing.

If you are not already aware, all GENIUS Olympiad finalists receive a scholarship to RIT if they are admitted. Participants and award winners for GENIUS Olympiad 2023 will be eligible for the following:

Gold Medal	\$25,000 renewable scholarship
Silver Medal	\$20,000 renewable scholarship
Bronze Medal	\$15,000 renewable scholarship
Honorable Mention	\$14,000 renewable scholarship
Participant	\$12,000 renewable scholarship
Finalist	\$10,000 renewable scholarship

All scholarships are renewable and contingent on the participant being admitted to RIT through the application process. **Please note that this scholarship program is only eligible to international students. RIT has several existing merit scholarship programs for domestic students. You can learn more at <https://www.rit.edu/admissions/financial-aid>**

All GENIUS Olympiad students who are interested in studying at RIT should begin by submitting their online application. Questions can be submitted to Paul Keller at paul@mail.rit.edu RIT is honored to be partnered with GENIUS Olympiad and its talented students.

All The Best,

Paul D Keller III
Director of International Enrollment
